RE: FINAL EXAMINATION TIMETABLE

Kindly refer to the Subject above.

I am sending to you the FINAL version of EXAMINATION TIMETABLE FOR THE ODD SEMESTERS (1, 3, 5, 7 & 9) due to start on 26th February, 2018.

Please pay attention to the following:

- ↳ The course, program, venue(s) and date for which the examination paper has to be sat
- ↳ The sessions (Morning or Evening) for the respective papers
- ↳ Campuses at which the respective papers have to be written (this is particularly important for the courses being offered across the two campuses)

It is my sincere hope that you will avail this communication to the course instructors under your jurisdiction. For any problem(s) you may choose to call the timetable unit on 0717-202203 and 0713-554588.

Thank you for the support and your cooperation with us is essential for the success of our mission.

Yours truly

Alex Xavery Matofali (PhD)
