APPLICATIONS FOR ADMISSION INTO HIGHER DEGREES FOR THE ACADEMIC YEAR 2016/2017

Applications are hereby invited for admission to Higher Degrees at Sokoine University of Agriculture (SUA) for the academic year 2016/2017. Candidates for Postgraduate Diploma, Master and PhD Degree programmes with coursework are admitted once every year for an academic year that starts in October of each year. Candidates for PhD by research only and Master of Philosophy (MPhil.) may apply and be admitted at anytime of the year. The deadline for this round of applications for Postgraduate Diploma, Master and PhD degree programmes with coursework will be the 31st May, 2016. Successful candidates will be informed by end of June, 2016 and will be expected to embark on studies in October, 2016. Candidates meeting the prescribed minimum qualifications are invited to apply for admission. The following are the Postgraduate Diploma, Master and PhD degree programmes tenable at SUA:

1. **POSTGRADUATE DIPLOMA PROGRAMMES**
   1.1 **School of Agricultural Economics and Business Studies**
      Postgraduate Diploma in Agricultural Economics (PDAE) – One year
   1.2 **Faculty of Science**
      Post-Graduate Diploma in Education (PDE) – One year for Science teachers
   1.3 **Faculty of Forestry and Nature Conservation**
      Postgraduate Diploma in Result Based Monitoring & Evaluation Techniques (PGD CRBM & ET) - One year

2. **MASTER DEGREE PROGRAMMES**
   2.1 **School of Agricultural Economics and Business Studies**
      2.1.1 Master of Business Administration - MBA (Agribusiness) (MBA)
      This is a 18 months fulltime programme conducted by course work and an internship leading to examinable Research paper.
      2.1.2 Master of Business Administration - MBA (Agribusiness) - Evening Programme (MBB)
      This is a Part time programme for a period of 24 months. Teaching times are: 5.00 pm to 9.00 pm for week days and 8.30 am to 12.30 pm for Saturdays.
      2.1.3 MSc. Agricultural and Applied Economics (MAA)
      2.1.4 MSc. Agricultural Economics (MEC)

2.2 **College of Agriculture**
   2.2.1 MSc. Crop Science (MCS)
   2.2.2 MSc. Agricultural Education & Extension (MEE)
   2.2.3 MSc. Agricultural Engineering (MAE)
   2.2.4 MSc. Irrigation Engineering and Management (MIE)
   2.2.5 MSc. Land Use Planning and Management (MLM)
   2.2.6 MSc. Post-harvest Technology and Management (PTM)
   2.2.7 MSc. Soil Science and Land Management (MSS)
   2.2.8 MSc. Tropical Animal Production (MTAP)
2.2.9 MSc. Food Science (MFS)
2.2.10 MSc. Human Nutrition (MHN)
2.2.11 MSc. Food Quality and Safety Assurance (MFQ)
2.2.12 MSc. Agricultural Statistics (MAS)

The programme is offered in collaboration with the Eastern Africa Statistical Training Centre (EASTC). Registered students are hosted by the EASTC in Dar es Salaam.

2.3 Faculty of Forestry and Nature Conservation
2.3.1 MSc. Forestry (MFO)
2.3.2 MSc. Management of Natural Resources for Sustainable Agriculture (MN RSA)
2.3.3 MSc. Wildlife Management (MWCM)
2.3.4 MSc. Ecosystems Science and Management (MES)
2.3.5 MSc. Agroforestry (MAF)
2.3.6 MSc. Forest Resources Assessment and Management (MFA)
2.3.7 MSc. Forest Products and Technology (MFP)
2.3.8 MSc. Environmental and Natural Resources Economics (MEN)
2.3.9 MSc. Forest Engineering (MFE)

2.4 Faculty of Veterinary Medicine
2.4.1 MSc. Anatomy (MNT)
2.4.2 MSc. Applied Cell Biology (MAB)
2.4.3 MSc. Comparative Animal Physiology (MCA)
2.4.4 MSc. Biochemistry (MBC)
2.4.5 MSc. Clinical Chemistry (MCC)
2.4.6 MSc. Pharmacology (MSP)
2.4.7 MSc. Applied Toxicology (MAT)
2.4.8 MSc. Applied Microbiology (MMB)
2.4.9 MSc. Molecular Biology and Biotechnology (MSBB)
2.4.10 MSc. Parasitology (MPA)
2.4.11 MSc. Public Health and Food Safety (MPH)
2.4.12 MSc. Epidemiology (MSE)
2.4.13 MSc. Veterinary Pathology (MVP)
2.4.14 MSc. Clinical Pathology (MCP)
2.4.15 MSc. Veterinary Surgery (MVS)
2.4.16 MSc. Applied Veterinary Anesthesiology (MAVA)
2.4.17 MSc. Animal Reproduction and Biotechnology (MARB)
2.4.18 MSc. Natural Products Technology and Value Addition (MNP)
2.4.19 MSc. Health of Aquatic Resources (MHAR)
2.4.20 Master of Preventive Veterinary Medicine (MPM)

This is a 12 months programme by coursework and a limited research assignment leading to production of an examinable research paper.

2.4.21 Master of Philosophy (MPL)

The programme is offered by research only, for two years on full time basis leading to a thesis. Areas of specialization are: Virology, Bacteriology, Mycology, Immunology, Entomology, Helminthology, Protozoology, Molecular biology and Pest Management Science.

2.5 College of Social Sciences and Humanities
2.5.1 Master of Arts (M.A) Rural Development (MRD)
2.5.2 Master of Project Planning Management and Evaluation

2.6 Faculty of Science
2.6.1 MSc. (Environmental Sciences, Management & Technology)
2.6.2 MSc. (Hydrogeology and Water Resources Management)
3. PhD DEGREE PROGRAMMES
3.1 PhD Programmes by Coursework and Research
3.1.1 PhD in Soil and Water Management
3.1.2 PhD in Agricultural and Rural Innovation

3.2 PhD by Research only
PhD degree programmes by research only are offered in all Academic units (School, Colleges, Faculties and Sokoine National Library). Applications for PhD by research only are received throughout the year and studies can commence at any time of the year once admission is granted.

4. GENERAL MINIMUM ADMISSION QUALIFICATIONS
4.1 Post-Graduate Diploma: Applicants must have a bachelor degree from a recognized institution of higher learning.

4.2 Master Degrees
4.2.1 A candidate shall either hold a relevant honours degree of Sokoine University of Agriculture or a qualification from an approved institution of higher learning, deemed to be equivalent to an honours degree of Sokoine University of Agriculture.

4.2.2 Candidates who hold unclassified degrees (e.g. BVM) should have a credit or a distinction in the subject of intended Master’s degree. Candidates wishing to pursue the Master of Preventive Medicine degree shall be required to have at least credits in any five subjects of the BVM degree or its equivalent.

4.2.3 Candidates with pass degree may also be considered for admission if their undergraduate performance in the proposed subject of study was a B Grade average or above and they have satisfied the relevant Academic Units that they have exhibited academic potential through extensive field work, subsequent research experience and/or additional training.

4.2.4 With the exception of the MPVM and MBA (Agribusiness) which are one year and one and half years degree programmes respectively, all other Master degree programmes are tenable for two years for full time students and three years for part time students. In the case of full time students, the first year is for coursework, while the second year is for research and dissertation writing.

4.3 PhD Degree Programmes
Applicants for PhD programmes should possess a honours Master degree in the relevant field from SUA or from recognized Universities. Applicants should submit a research concept note along with the application documents. PhD studies by Research only are tenable for two and half to four years and for 3 to 4 years for studies by Research and coursework. The duration for part time students is a maximum of six years.

5. MODE OF APPLICATION
Application forms can be requested from the undersigned or downloaded from our website: http://www.suanet.ac.tz/phocadownload/drgsapplication.pdf. Such duly-filled forms can be returned physically or mailed to the undersigned not later than 31st May, 2016 together with evidence of payment of Shs. 50,000/= or 20$ for foreigners, as application fee.

Online Application
